

For book influencers

Thank you for your interest in reviewing titles from Painted Dog Press. As an independent publishing house, we are committed to championing distinctive voices and publishing books that resonate, challenge, and endure. We value thoughtful, authentic engagement with our titles, and we're excited to collaborate with influencers who share a passion for meaningful reading.

What We're Looking For

We encourage reviews that go beyond surface impressions. Whether you're posting on Instagram, TikTok, YouTube, or a blog, we're interested in your genuine response to the work. Consider engaging with elements such as theme, tone, character, structure, and the broader ideas a book explores. Your audience trusts your voice – honesty and depth matter more to us than uncritical praise.

Creating Your Content

You're free to interpret each book in your own style and format. This could include reviews, reading vlogs, photo-based posts, annotations, or discussions. We welcome creativity and we are enthusiastic about clear engagement with the book itself. If a title doesn't resonate with you, we appreciate respectful, balanced critique rather than promotion that feels forced.

Tagging and Credits

Please remember to tag Painted Dog Press and the author(s) of the book in your posts where possible. This helps us amplify your

content and ensures that authors receive visibility and recognition for their work. Where relevant, include the book title and publisher in your captions or descriptions.

Building a Reading Community

We believe books spark conversation. We encourage you to invite your audience into dialogue: pose questions, highlight passages, and share insights that inspire discussion. We believe your role as an influencer is not just to recommend books, but to foster a deeper connection between readers and literature.

Working Together

If you're interested in reviewing our titles, we'd love to hear from you. Please get in touch with a brief introduction to your platform(s), audience, and the kinds of books you enjoy featuring. We review all requests carefully and will respond where there is a strong fit.

Thank you for supporting independent publishing and for helping great books find their readers.
